CIT 39-717
Entrance Survey

Please fill this out and return to Jim Bain's office (REH 238) by 5PM on Tuesday, 8/25/98. This information will be used to create the class database and email contact list, and to help the instructor in selecting the class roster, if oversubscription occurs. Note there is a section for the student to fill out, and a section for the student's advisor to fill out.

How related is this course to the student's research?

(unrelated) 1 2 3 4 5 (critical)

Is this student a "DSSC" student ? yes no

Is it acceptable for this student to charge expenses related to the class (possibly up to a few hundred dollars) to his/her research account? yes no

(Tentatively, these charges will be necessary for going into the cleanroom and for some supplies. Amounts will be comparable to charges that the student would incur if they were receiving tutoring from another graduate student in the use of each piece of equipment. As this is a new arrangement, I would welcome any feedback that you might have on this system.)
