

Kimberly Lim
Team B2

What did you personally accomplish this week on the project? Give files or photos that demonstrate your progress. Prove to the reader that you put sufficient effort into the project over the course of the week (12+ hours).

- Finished design report (Abstract, Introduction, Design trade studies)
- Presented design to Professor Low and got feedback about it
- Updated number of seams per algorithm run for .cpp implementation to be user-specified parameter
- Fixed performance benchmarks in .cpp implementation

Is your progress on schedule or behind? If you are behind, what actions will be taken to catch up to the project schedule?

- On schedule

What deliverables do you hope to complete in the next week?

- No deliverables for next week - Spring break and was scheduled before
