

Eshani Mishra

Team B2

What did you personally accomplish this week on the project? Give files or photos that demonstrate your progress. Prove to the reader that you put sufficient effort into the project over the course of the week (12+ hours).

- Finished Nios II tutorial
- C code for reading to and writing to FPGA SDRAM
- Ran my_first_hps on SoC and transferred executables to SoC

Is your progress on schedule or behind? If you are behind, what actions will be taken to catch up to the project schedule?

- On progress for in lab demo

What deliverables do you hope to complete in the next week?

- In lab demo
- Try to set up ethernet connection in lab - hardware address registration
- Connect Nios II code with Shruti's verilog code
