

Eshani Mishra  
Team B2

What did you personally accomplish this week on the project? Give files or photos that demonstrate your progress. Prove to the reader that you put sufficient effort into the project over the course of the week (12+ hours).

- Finished poster template
- Worked on the final presentation and demonstration setup
- Learned how to use SignalTap to ensure seam correctness
- Updated Quartus settings to optimize for performance
- Pipelined comparator for stage 3 (8 values compared in 1 cycle)
- Debugged integrated code in Quartus

Is your progress on schedule or behind? If you are behind, what actions will be taken to catch up to the project schedule?

- Was behind schedule but this was highlighted before in the presentation
  - changed demo to account for changes in MVP (explained in team report)
  - Last week of classes was light for me and I worked on it more

What deliverables do you hope to complete in the next week?

- Final report
- Demo setup and planning
- Finalize benchmarks and gather user testing comments from the demo into the final report
